DID YOU KNOW?

The UVIC Bookstore oversees the trademark licensing program for the entire university.

We are continuously adding vendors to our list, giving you the broadest range of options.

All our vendors sign our licensing agreement, stating that as a supplier for UVIC-logoed merchandise, they are guaranteeing sweatshop-free items.

We strive to bring the lowest prices available for crested and customized products.

Social responsibility is a priority when considering vendors and products.

We are continually researching what is popular and on-trend, and are happy to consult with you in-person or online to help you choose the best option for your needs.

Depending on stock, our turnaround time is generally 4-6 weeks from art approval. You will have input before the final item goes to production.
